Pain Free Dental Care With QuickSleeper 5

See What Our Patients Are Saying

QuickSleeper 5 is a safe and effective device that delivers intraosseous anesthesia straight to the areas that need numbing. Patients enjoy pain-free, relaxing dental care from the comfort of our Calgary, AB dentist office test.

Solutions for Dental Issues at Our Calgary Dentist Office

DO YOU WANT A SMILE MAKEOVER?

We offer digital smile design along with cosmetic dental services to help you achieve the smile of your dreams.

DO YOU FREQUENTLY WAKE UP WITH HEADACHES AND JAW PAIN?

Dr. Chahal uses T-Scan technology to diagnose malocclusion that can cause TMJ pain.

ARE YOUR TEETH CROOKED?

We provide Invisalign and orthodontics to help straighten crooked teeth for a more comfortable bite.

DO YOU HAVE MISSING TEETH?

Foothills Dentistry provides full-service implants all under one roof. Replace your lost teeth with high-quality prosthetics.

New Patients Welcome

Your Calgary, AB Family Dentist

At Foothills Dentistry our goal is to prevent the development of oral disease through comprehensive dental health care. We help patients of all ages maintain healthy, beautiful smiles with routine dental exams and state of the art dental technology.

Your first dentist visit may include:

- Dental care exam
- Periodontal screening
- Oral cancer screening
- Dental caries screening
- Consultation with Dr. Chahal
- Dental cleaning (if needed and time allows)

Why Choose Metal Braces for Adults

Orthodontic treatment can affect more than just your smile. Having straight teeth can also improve your bite strength and oral hygiene. Crooked teeth make it harder to brush and floss...

Cosmetic dentistry in Calgary, AB, can seem expensive, and, unfortunately, getting coverage through insurance is difficult.

Financing Options for Cosmetic Dentistry

When planning treatment for your smile, it's natural to feel a little overwhelmed at the cost. Cosmetic dentistry in Calgary, AB, can seem expensive, and, unfortunately, getting coverage through insurance...

bleeding gums in Calgary, AB, could point to a serious dental condition.
Bleeding Gums: What it Means and What to do

Bleeding, in general, is often a sign that there's something wrong with our health. Typically it's from a cut or other injury. However, bleeding gums in Calgary, AB, could point
